Things to Know About Our Pricing:

- The price is all inclusive. There are no other charges from The Pines to residents.
- Pricing is fixed for the resident. We will not change the rate while the resident is staying with us. There are no annual adjustments or unknown price hikes. What you pay when you move in is what you pay the whole time you live at The Pines.
- We are locally owned and operated. The owners are actively working in the business every day and make the quality of care that we provide our top priority. Fair pricing for the service provided is important to us and so is remaining affordable for the residents of the community we grew up in and now get to work in.
- We can take care of almost anyone in need of long-term care. Please give us a call and come take a tour. No one knows our capabilities better than us.
